

## Comprendre le fonctionnement de la langue – les phrases

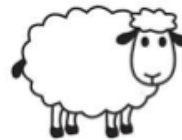

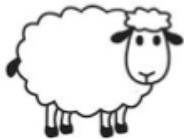

*Quand les mots changent, l'image change.  
Quand l'ordre des mots change, l'image change.*

**Ecouter la phrase, observer les deux images puis entourer la bonne image.**

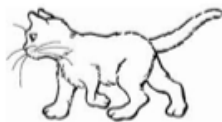

*Le cheval regarde le moulin.*

*Le mouton regarde le château.*

*Le chat suit l'abeille.*

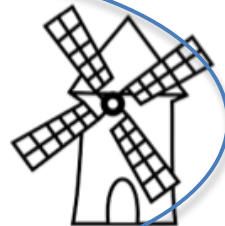

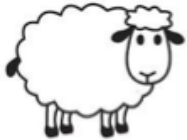

*Le petit poisson poursuit le requin.*

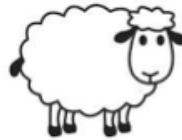

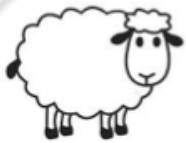

Correction :

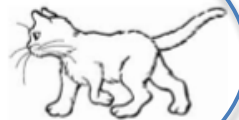

*Le cheval regarde le moulin.*

*Le mouton regarde le château.*

*Le chat suit l'abeille.*

*Le petit poisson poursuit le requin.*
